## Knight Oil Tools Announces New Executive Management Team

Earl Blackwell, President and Chief Executive Officer, recently announced the creation of the Executive Management Team and realignment of responsibilities.

Earl stated, "The changes emphasize an inclusive style of management with strategic planning at the team level and specific areas of management responsibilities by each Executive Management Team Member. This management structure will enhance the company's ability to react to difficult industry conditions and continue to grow worldwide."

### Executive Management Team

- **Earl Blackwell**, President and Chief Executive Officer - Responsible for the overall management of the company.
- **Mickey Broussard**, Chief Operating Officer - Primarily responsible for the management of all U.S. operations.
- **Doug Keller**, President of Knight Oil Tools International - Primarily responsible for the management of international sales and operations and Knight Oil Tools marketing.
- **Pat McLaughlin**, Executive Vice President of Research and Development - Primarily responsible for all company product research and development.
- **Bobby Veazey**, Chief Financial Officer - Primarily responsible for financial management of the company.
- **Sid Lyons**, Executive Vice President of Sales - Primarily responsible for the management of Knight Oil Tools' U.S. sales.
- **Dean Cole**, Vice President, General Counsel, Company Compliance Officer - Primarily responsible for Compliance, Real Estate, Human Resources, Aviation and Risk Management.

For more than 40 years, Knight Oil Tools objective has been providing "zero-failure" equipment and services to the oil and gas industry. With a cadre of very talented employees and more than 50 locations worldwide, Knight Oil Tools has grown to be the largest privately held rental and fishing tools company in the world.
