A Long History of Support for Scouting in Louisiana

Knight Oil Tools has a long history of support for the Boy Scouts of America Evangeline Area Council that started when the company's founder Eddy Knight, an Eagle Scout, moved his family to Lafayette. Eddy served on the Executive Board of the Evangeline Council and was a major benefactor of scouting until he passed away in 2002.

Eddy was the recipient of two of Scouting's most prestigious awards. He received the National Outstanding Eagle Scout Award for demonstrated outstanding achievement at the local, state or regional level. In 2001, Eddy was awarded the Silver Beaver Award in recognition of his long service to the Boy Scouts.

Eddy was a driving force behind the Evangeline Area Council's program to preserve, protect and promote the environmental, cultural and recreational opportunities of the Atchafalaya Basin Region of S. Louisiana. He helped establish the Boy Scout Swamp Base, where professionally guided adventure programs are available to Scouts from across the country and educational and conservation programs are offered to students of all ages.

Today, Knight Oil Tools continues Eddy's commitment to scouting. For the past three years, Knight Oil Tools has been the title sponsor for the Knight Oil Tools Boy Scout Classic Golf Tournament, held in May at the Le Triomphe Golf & Country Club in Broussard, Louisiana. This year, 168 golfers played in the tournament which raised \$65,000 to benefit the programs and camp facilities that are enjoyed by more than 4,700 Boy Scouts across Acadiana.

For more than 40 years, Knight Oil Tools has been providing "zero-failure" equipment and services to the oil and gas industry. With more than 50 locations worldwide, Knight Oil Tools has grown to include Rental Tool Services, Fishing Services, Manufacturing, Inspection and Hardbanding, and QHSE Training and Consulting – making it the largest privately held rental and fishing tools company in the world.
